Chapter 1

Moon light shone on the dark lake as a screech filled the air. Shadow woke up to sound only to find his fathers body on the floor blood spilling out of his neck onto the sandy floor as his brother stood his body smiling with satisfaction. By now all of the group was awake, but by then shadow's brother Bone was gone. Cats started to fill the clearing eyes filled with shock. Shadow knew his brother always wanted to rule, but he didn't know that it would come to this. He had to tell the group, even thought it was his brother. Bone yowled called the cats to gather beneath the fallen oak. "As you know are great leader has died, which leaves me in charge, but I have something to say about my father's death. I know who killed him, since I was there when it happened I tried to stop him, but he wouldn't listen that cat was...Shadow". Every cats gaze flickered onto him. *How could my brother blame this on me was he really that cruel* thought Shadow. "So there is only one thing left to do exile him out of this land, if he ever shows his face here again, he will be dead". Shadow looked around, and knew if he ever told what really happened, no one would believe him anyways. He turned away and started to run towards the forest, only one word rang in his head over and over again *revenge, dark revenge...*
